Sir,

I have the honour to report that in view of the gradual increase in the Maternity and Child Welfare work in this Municipality, the need for the entertainment of an additional Health Visitor was keenly felt. This step was also suggested by the Director of Public Health, Madras in his remarks on the inspection notes on the Child Welfare Centre made in 1938, and on the Budget Estimate of this Municipality for 1939-40 (copies of which are herewith enclosed). A second Meternity and Child Welfare Centre has been started from 1-4-1940 for the Cowl Bazaar and Cantonment areas.

This candidate has been deputed to undergo necessary training.

3. As the sanction of the Government has to be obtained for the payment of salary to her during the period of deputation, I request that the Government may kindly be moved to accord necessary sanction for the same (i.e., at Rs.25/- per month which is her salary as Midwife), during the course of training for one year from 1-7-1940.
